ADSW FUNDING FOR JFHQ GWOT HISTORY SUPPORT (J3)

1. Purpose: To provide guidance on ADSW JFHQ Command Historian position in support of GWOT.

2. Active duty for special work (ADSW) funding is being provided for NJNG JFHQ historical support of mobilization for execution during FY05. The ARNG is now engaged in its most significant combat since WWII. Information about individual and unit deployments must be collected and disseminated in order to document individual soldier mobilizations, provide data for trend analysis and provide sufficient operational historical material for comprehensive lessons learned programs, and historically inform future public affairs and command information initiatives. As the most recent partial mobilization of significant size, OPERATION DESERT STORM demonstrates that the lack of having this data readily available impacts negatively on soldier welfare and facilitates potentially ill-informed operational studies.
